Dear Narveer Pahal,

I am submitting this letter to formally announce my resignation from Espranza Innovation in the capacity of Junior Developer. My final date of employment will be 22-11-2022. I appreciate the time I have spent working here and the knowledge and experience I have gained along the way.

It has been a pleasure working with you and your team over the last year. Working with you and the team was a fantastic experience that I will always be thankful for. I can't tell you how grateful I am for the opportunities you provided me at Espranza Innovation. I learned a tremendous amount about the industry, and I am lucky to take that knowledge as I move along in my career. I greatly enjoyed the time I spent working here with you and the rest of the team.

Thank you again for the opportunities you have given me.

Sincerely,

Niteen Kumar
